BOYD'S
SYLLABIC
SHORTHAND
DICTIONARY

BY

ROBERT BOYD, B. A.
(University of Toronto)

Published by
W. T. MOON, President
of
MOON'S GREAT SCHOOL OF BUSINESS
Montreal, Canada
1908

Entered according to the Act of Parliament of Canada, in the year
one thousand nine hundred and eight by **WILLIAM THOMAS
MOON**, in the office of the Minister of Agriculture

Z 36
B 69 sy

PREFACE

The purpose of this work is self-evident ; and its value to the student of Boyd's Syllabic Shorthand is, I trust, equally apparent.

The three great requirements in a work of this character are completeness, accuracy and convenience of arrangement ; and on each of these scores the present work is believed to meet in every respect the needs of both instructors and students.

The words herein given (over 2500 in all), with their derivatives, cover completely almost every possible need of business correspondence and ordinary usage. Only in occasional and extreme cases will the shorthand writer ever be called on to take down words not in this Dictionary. The list of phrase-signs, while less complete, will be found a most useful supplementary feature.

In regard to accuracy, the greatest pains have been taken to assure not only the absolute correctness of each symbol given, but also that it shall be the shortest and most distinctive that could be employed.

As regards the arrangement, we believe it will be found both simple and convenient by every user.

In presenting this book to the consideration of those who are teaching Shorthand by the Syllabic System, it would be entirely superfluous to speak at any length on the

448281

merits of that system. Its ease of acquirement and its facility of use have long since been widely recognized, and the rapidity with which it is supplanting other systems in commercial schools is proof positive of its very marked advantages. It is a pleasure to me to believe that this Dictionary will assist in making the path to shorthand proficiency even smoother than ever to thousands upon thousands of students.

WILLIAM T. MOON.
